*We wish all our Readers a Very Happy New Year.*

THE School has again received the "excellent" award for Drawing: this reflects great credit on our Master, in these days when there is a general levelling up. We have not yet received H. M. Inspector's Report on the general work of the School, but we hope to be able to publish it next month.

The "Band of Hope" is going on very successfully, and we shall be very pleased to see any children from our Sunday Schools over the age of 8 years. The subscription is  $\frac{1}{2}$ d. each time, or a penny a month, which is returned to the children in the form of a tea at the end of the session. We hope also to arrange for an entertainment, at which we should like to see all the parents present.

FEBRUARY, 1897.

We regret to announce the death of Mrs. Hall, the widow of Rev. W. C. Hall, for about fifty years the Vicar of this parish. For several years past Mrs. Hall was quite an invalid, and has been unable to attend to any of her old active work for the good of the parish, in which she worked so indefatigably for so many years. We are sure that we may express the sympathy of all our readers with Mr. Townshend Hall in his great loss.

## GIFT.

Four very handsome book-markers have been presented to the Church by Mrs. Bagley's Bible Class, and were used for the first time on New Year's Day. The Vicar and Churchwardens desire to express their thanks for this handsome present.

The Vicar desires to acknowledge the receipt of 5s. for Church Missionary Society and 5s. for Sick Fund, from "A Friend," and also 1s. from "A Friend" for Mrs. Bagley's Fund for the Lepers in India.

## PILTON ORGAN FUND.

A meeting was held on Thursday evening, January 21st, to consider the proposal to place a new organ in the Parish Church, in commemoration of the Queen's Diamond Jubilee.

It was resolved unanimously to ask for subscriptions at once, and the following were promised at the meeting:—

	£	s.	d.		£	s.	d.

A committee was at once formed, and circulars will shortly be issued appealing for subscriptions.

## RUMMAGE SALE.

A Rummage Sale will be held about the end of March, on behalf of the Organ Fund. Articles for sale will be thankfully received at the Vicarage.

## DISTRICT SOCIETY.

This society has completed another year's work, and we subjoin the accounts. About £10 was given back in the form of clothing cards, and we can only point out to depositors the great advantage of thus receiving back their deposits. No less a sum than nearly £20 was absolutely refused, by not taking the card, instead of money. On every 15s. card, 1s. 3d. was given by us, and another 2s. 6d. practically was given by the tradesman to those who had cards. This was entirely lost by those who took their deposits in cash.

# PILTON PARISH MAGAZINE.

APRIL, 1897.

On *Good Friday* there will be two services in Church, at 11 a.m. and 7 p.m. We were glad to notice last year a greater number present at the Morning Service; but the Evening Service was not well attended. We do hope, year by year, to see a greater number coming to Church on this the most solemn day of the year.

On *Easter Day* there will be two celebrations of the Holy Communion at 8 and at 11. This is the greatest festival of our Church year, commemorating the great fact, which is the foundation of our Faith, the resurrection of Jesus Christ from the dead, and, in consequence, the general resurrection of the dead. "*As in Adam all die, even so in Christ shall all be made alive.*"

For this reason *Easter Day* has ever been a day upon which the Holy Communion is received by all; and all our Communicants are earnestly invited to be present.

The Bishop of Exeter has appointed a day in the month of June for the Confirmation. A Confirmation Class will be formed, soon after Easter, of which due notice will be given in Church.

## ORGAN FUND.

We have to acknowledge, with many thanks, the following additional amounts given or promised. We should be very glad to know the amounts on any cards (the card need not be given in) before April 15th, as it will help the Committee to decide when to proceed with arrangements for ordering a new organ.

N.B.—The *amounts* only on the cards are published in this list, the items on the different cards will be found on the separate list beneath.

# PILTON PARISH MAGAZINE.

JUNE, 1897.

We are sorry to be obliged to hold over till next month several things that should have appeared in this number, but we hope to be able to give a full account next month of the "Cantata," etc., the Band of Hope Entertainment, the Churchwardens' and other accounts, the Registers and Offertories for the month, and the Report of the Diocesan Inspector.

Through the kindness of Mrs. Hibbert, the mothers attending the Mothers' Meeting were entertained to a tea on Thursday, April 8th. A good number sat down to tea, after which an entertainment was given by several ladies, including the Misses De Gttrin and the Misses Codd, consisting of songs and instrumental music; also a dialogue in costume, called "Sarah Riddle's Tea-party," was given by members of the Bible Class.

On Wednesday, April 21st, the Cantata, "Sawwood's Queen," was most excellently rendered by the Church Choir, supported by orchestral accompaniment, and assisted by Mr. and Mrs. James, Mrs. Davis, and Mr. Sydney Harper. This was a great musical treat, and we hope it will not be long before it is repeated, so as to give those who could not attend an opportunity of hearing it. The great success of this Cantata is due to Mrs. Hibbert, who kindly undertook the management of it, and to Mr. Lee, the conductor, and to the hearty spirit in which all entered into it and attended the many practices necessary. Our thanks, too, are due to the members of the Band, who gave their services both afternoon and evening, and conducted not a little to the success which was attained. After the Cantata, the farce, "Box and Cox," was given by Miss Chichester and Messrs. J. B. Challen and F. Townsend, and was greatly enjoyed. The room was full at both performances. The proceeds, which were for the Organ Fund, amounted to £15 2s. 5d., but as we are not in a position yet to state what were the expenses, we must let the account stand over till next month. We hope, at least, to hand over £10 to the Organ Fund.

# PILTON PARISH MAGAZINE.

JULY, 1897.

A BEAUTIFUL new altar cloth was used for the first time on Trinity Sunday. It is the gift of Mrs. Chichester and her friends. The work, which is beautifully executed, has been done by several ladies in the parish; those who have worked on it besides Mrs. Chichester being Mrs. Bagley, Mrs. Hibbert, and the Misses Arnold, N. Brown, Chichester, Gaertner, Longman, and Petter. We desire to return the best thanks of the Vicar and Churchwardens for this very handsome gift to the Parish Church.

# PILTON PARISH MAGAZINE.

DECEMBER, 1897.

We have received the Report from the Science and Art Department, and we are pleased to say that our Schools are again classed excellent in drawing. Mr. Lord is to be congratulated upon the result.

### THE ORGAN FUND.

The new organ has been ordered some months ago from the firm of Messrs. Hope-Jones & Co., of Birkenhead. We hope to see it up before the end of the year, and the Committee has done all that is possible; but in these matters we are in the hands of the builders, and must be patient. We are glad to be able to announce that the Fund has reached £500.
